## [An Overview of the Rotary Club of Oswego](#)

### **Who we are...**

The Rotary Club of Oswego was chartered in January of 2003. The club began helping the community immediately. Since then, the club has grown to over 50 members.

For over five years, the Rotary Club of Oswego has been bringing together people and resources to improve lives within our community and around the world. The Rotary Club of Oswego is part of a global network of community volunteers with a passion for providing humanitarian services both locally and around the world. Rotary members are business and professional leaders who encourage high ethical standards in all vocations and help build goodwill and peace in the world

### **What we do...**

Our club participates in a broad range of humanitarian, intercultural, and educational activities designed to improve the human condition. Oswego Rotarians meet weekly for fellowship and interesting and informative programs dealing with topics of local and global importance. Membership reflects a wide cross-section of community representation. Together, we plan and carry out a remarkable variety of humanitarian, educational, and cultural exchange programs that touch people's lives in our local communities and our world community.

### **Partnership...**

We do not like to think of sponsorship as simply a donation, we prefer to think of it as a partnership. A partnership is not one-sided. While we certainly benefit from the arrangement, we want you to benefit as well. Partnering with us is a great way to gain media exposure and let the community be aware of your involvement in making the community a better place to live and work. The Chukkers for Charity event has grown over the past five years. Your sponsorship of the Chukkers for Charity event is a cost-effective way to advertise, recruit and network, while giving back to the community. By partnering, we can ensure a better community for individuals to live, work, and prosper.
